1215.604 Agency points of contact.

(a) The DOT does not have a centralized location to receive unsolicited proposals. The effort submitted in the proposal determines which DOT OA should receive and evaluate the proposal.

(b) Proposers should submit proposals to the cognizant OA contracting office for appropriate handling. Specific information concerning each DOT OA and the type of commodities which they normally procure are available on the worldwide web at <http://www.dot.gov>. Proposers are urged to contact these contracting/procurement offices prior to submitting a proposal to ensure that the proposal is being submitted to the appropriate contracting office for action. This action will serve to reduce paperwork and time for the Government and the proposer.

1215.606 Agency procedures.

(a) The OA contracting office is designated as the point of contact for receipt of unsolicited proposals. Persons within DOT (e.g., technical personnel) who receive unsolicited proposals shall forward the document to their cognizant contracting office.

(b) Within ten working days after receipt of an unsolicited proposal, the contracting office shall review the proposal and determine whether the proposal meets the content and marking requirements of (FAR) 48 CFR 15.6. If the proposal does not meet these requirements, it shall be returned to the submitter giving the reasons for non-compliance.

1215.606-2 Evaluation.

(a) If the proposal is in compliance, the contracting office shall acknowledge receipt of the proposal to the proposer and give the date the proposal evaluation is expected to be completed. The proposal shall be marked as required by (FAR) 48 CFR 15.609 and forwarded to the appropriate technical office for evaluation. The evaluating office shall be given reasonable time to complete the evaluation. However, in no event should an evaluation take more than sixty calendar days after receipt of the proposal except under extenuating circumstances. Contracting offices shall establish a system to en-

sure that this timeframe is met. If the date can not be met, the proposer shall be advised accordingly and be given a revised evaluation completion date.

(b) The evaluating office shall neither reproduce nor disseminate the proposal to other offices without the consent of the contracting office from which the proposal was received for evaluation. If additional information from the proposer is required by the evaluating office, the evaluator shall convey this request to the contracting office in lieu of the proposer. The evaluator shall not communicate directly with the originator of the proposal.

(c) If the evaluator recommends acceptance of the proposal, the cognizant contracting officer shall ensure compliance with all of the requirements of (FAR) 48 CFR 15.607.
